About this compilation

This book collects the syllabus and the textbooks prescribed by the **Meghalaya Board of School Education (MBOSE)** for Classes I to XII, as they stand for the 2026 academic session (Classes I–X follow the calendar year) and the 2026-27 session (Classes XI–XII). Everything here was taken from MBOSE and DERT (Directorate of Educational Research and Training, Meghalaya) documents; the source for each part is given on the last pages.

Not an official document. This is an independent summary for study and planning. It is not issued by or affiliated with MBOSE or DERT. Where this summary and a board notification differ, the notification is right. MBOSE revises portions often (for example, the Social Science end-term syllabus was revised on 15 Sep 2026), so check www.mbose.in before exams.

Which document governs which class

Classes	Syllabus source	Textbook source

Marks pattern (Classes VI – IX)

Each examined subject is marked out of 100: **80 external + 20 internal assessment**. Classes VI–VIII sit a Mid-Term (3rd/4th week of June) on Part 1 of the syllabus and an End-Term (2nd/3rd week of November) on Part 2. Class IX has one final examination on the whole syllabus. For subjects other than English, MIL, Mathematics, Science and Social Science, schools set their own assessments.

Coming change: the Government of Meghalaya has decided to move MBOSE Classes I–X to NCERT textbooks (announced Nov 2023). The 2026 lists already use NCERT (Meghalaya Edition) books for English, Mathematics and Science, but Social Science and several other subjects still use other publishers. Watch for a new book-list notification before the 2027 session.
